

Product one-pager

The calm practice tool for UK therapists.

Faresay brings a therapist's clients, scheduling, secure video and card payments into one simple, private place — software they subscribe to, not a marketplace. Set up in ~15 minutes, run it from a phone, and keep every client.

WHAT IT DOES

- ✓ Scheduling, calendar sync & client self-booking
- ✓ Built-in secure video sessions
- ✓ GBP card payments & automatic payouts (Stripe)
- ✓ Email & SMS reminders
- ✓ Intake / consent forms & outcome measures (PHQ-9, GAD-7)
- ✓ Compliance reminders for registration & insurance

WHY IT'S DIFFERENT

- ✓ **Fair:** a subscription + small card commission — never a cut of your sessions.
- ✓ **Yours:** you're the data controller; export and leave any time.
- ✓ **UK-first:** BACP/UKCP/NCPS, UK/EU data residency, UK GDPR.
- ✓ **Calm & simple:** opinionated, phone-first, plain English.
- ✓ **Free to start:** pay only as you earn.
